SUBJECT: Joe Martinez

Dear Roger:

Thank you for the copy of the letter which was sent to Mr. Martinez in August. I believe you acted properly in suspending Mr. Martinez' registration. He certainly does not seem to be the type of individual we would like to have registered with the Boy Scouts of America.

I am enclosing a Confidential Record Sheet which I would like to have completed so we may identify Mr. Martinez should he attempt registration in some other location. It would also be helpful if you could send us a copy of an application with his signature. This will aid in the identification process.

If any legal action has now taken place, please send us copies of court records or newspaper clippings so that this will substantiate our refusal by building a complete file.

Let us know if we may be of help to you.

Dear Roger:

We received information that the above-named individual had been accused of indecency with a child. This individual, who was Scoutmaster of Troop Sl631, should be suspended until the final legal action is completed.

I am again enclosing a Confidential Record Sheet which I would like to have completed so that we have the necessary information for identifying Mr. Martinez should he attempt registration in another location.

If you have a copy of his application in the file, with his signature, we would also like this as this will aid in the identification process.

Mr. Joe Martinez

Sugarland, Texas 77479

Dear Mr. Martinez:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand that Boy Scouts of America leadership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of leadership which the Boy Scouts of America seeks to provide for American youth. Please also understand that this decision and the reasons for it will be maintained as confidential.

If you wish to have this decision reviewed, please write to me, explaining your version of the facts supporting your claim that your registration as a Boy Scouts of America leader should be reinstated.

Sincerely yours,

Roger A. Ohmstede
